Patrick Zaki: three years awaiting trial

08/02/2023

Yesterday at the town hall of Bologna an event was organized to commemorate the third anniversary of the arrest of Patrick Zaki. Rita Monticelli, City Councillor, Delegate of the Mayor for Human Rights and GEMMA coordinator at Unibo, dedicated the following words to continue to demand justice and freedom for Patrick:

Patrick Zaki: three years awaiting trial

Patrick is out of prison but he is NOT free. We continue to demand justice and freedom for Patrick. We ask that he be able to return to his studies in Bologna and Granada. We demand truth and justice for him and for those who are in the same circumstances. We should not get used to injustice. From the City Council we are thinking of you, Patrick. I am by your side. We are by your side.
