Other scholarships

The list of scholarships/funding opportunities indicated below **does not intend to be exhaustive or excluding other scholarships/funding opportunities** students may know. Please note that it is **each candidate's individual responsibility to apply for the scholarships detailed below**. Read the following links carefully, as requirements for each scholarship vary.

Those students who fulfill the requirements may apply for the **ERASMUS+** scholarship for their required GEMMA mobility period, no matter what their Home University. (Please, consult your Home and Mobility Universities for more specific information).

Important notice: In case you received external funding from non-GEMMA sources (for instance, Spanish Ministry scholarship or any other), you will be compelled to pay the difference between the amount received and the mentioned participation costs. Given that some scholarships' amount, such as the Spanish Ministry grant, corresponds to the price of 60 ECTS per academic year, the amount to be paid may vary every year, depending on the price of the credit.
