Women's and Gender
Studies

The call for applications for the 18th edition of GEMMA is OPEN

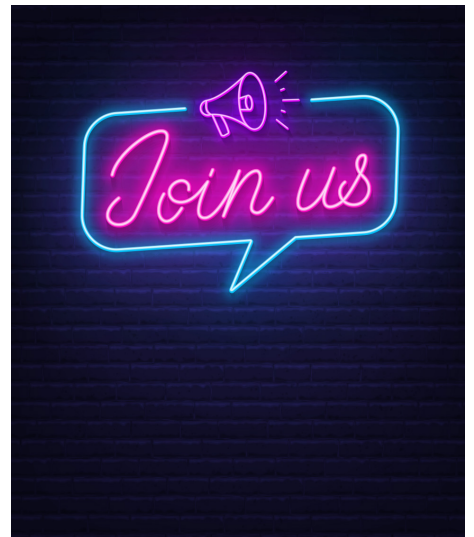

01/03/2024

The call for applications for the 18th edition, 2024-2026 of the GEMMA Master's Degree in Women's and Gender Studies **IS NOW OPEN** (The link to the online application form is in the middle of the page).

If you want to send your application, please follow the **instructions for this call** available on our website.

The funding of the GEMMA programme by the Erasmus+ programme is coming to an end and we will not receive the results of the EU funding renovation until the summer. For that reason, this Call for applications is **open to self-financed students only (no EM Scholarships available this time)**. Nevertheless, the GEMMA Consortium is working to implement a number of scholarships (to be determined) for the 2024-2026 intake enrolled students. We invite applicants to join the Programme with an alternative source of funding. Please visit our **funding opportunities page** for more information.

IMPORTANT: The University of York (United Kingdom) will not participate as full partner on the 18th edition (no Home or Mobility university). Nevertheless, it will continue participating as GEMMA associate partner for future collaborations.

The **deadline for receiving your application is April 12th, 2024, 2 pm (Granada local time)**, including the letter of recommendation. Documents received after that deadline will be automatically rejected so we strongly encourage you to please send your application well in advance so your referees have time to send the letters of recommendation before the deadline.
