The aim of EUTERPE is to offer an innovative approach to rethinking European cultural production in the light of complex social and political negotiations that are shaping European spaces and identities at present. EUTERPE intends to do that by bringing together gender and transnational perspectives within an interdisciplinary approach to literary and cultural studies, while training and supervising 11 DCs in interdisciplinary, transnational, gender-focused literary studies.

You can find [more information about the offer and the application in the EURAXESS website](#).
