Application for Students

IMPORTANT INFORMATION ABOUT THE NEXT CALL FOR APPLICATIONS:

As part of the EMJMD framework, the GEMMA programme benefited from the financial support of the European Union and is funded through an Erasmus Mundus Joint Master Degree programme from 2019 to 2025. This support allowed us to offer scholarships to the best students coming from all around the world.

New students enrolled in the GEMMA program for the 19th edition (2025-2027) will not be supported by the EMJMD scholarship or be part of the EMJMD framework as the funding of the GEMMA programme by the Erasmus+ programme is coming to an end and we will not receive the results of the EU funding renovation until the summer.

The GEMMA Consortium is working to implement a number of scholarships (to be determined) for the 2025-2027 intake. We also invite applicants to join the Programme with an alternative source of funding. Please visit our [funding opportunities page](#) for more information.

IMPORTANT: The University of York (United Kingdom) will not participate as full partner on the 19th edition. Nevertheless, it will continue participating as GEMMA associate partner for future collaborations.

The call for applications for the 19th edition is now **CLOSED**. Selection results will be released during the month of April 2025. All candidates should receive an email regardless of the final decision about their application (selected, reserve list, non-selected).

Instructions for the students applying for the 19th edition of the GEMMA Programme.

IMPORTANT NOTICE FOR APPLICANTS: During the last week, our system experienced technical issues that caused that some applicants did not receive the

automatic email confirming the submission of their application and that their referees did not receive the automatic emails for the letter of recommendation. If that was your case, please send us an email to gemma@ugr.es and we will give you further instructions on how to proceed. Thank you for your understanding.

There are **two modalities of participation in GEMMA:**

- With the Erasmus Mundus scholarship for third country students (Partner country students)
- On a self-financed basis

In order to check your eligibility for the EM scholarships and choose the correct modality of application, please visit the [Scholarships section](#).

Before filling in the form, **please carefully read the instructions below**, where you will find a list of **required documents and information on how to submit your application**.

Before starting your application, please make sure you have all required documents available in pdf files and fill in the application all at once, thus avoiding multiple incomplete applications. **Due to system limitations, you will not be able to close and modify your application.**
