## Application for Students

### **IMPORTANT INFORMATION ABOUT THE NEXT CALL FOR APPLICATIONS:**

As part of the EMJMD framework, the GEMMA programme benefited from the financial support of the European Union and is funded through an Erasmus Mundus Joint Master Degree programme from 2019 to 2025. This support allowed us to offer scholarships to the best students coming from all around the world.

New students enrolled in the GEMMA program for the 18th edition (2024-2026) will not be supported by the EMJMD scholarship or be part of the EMJMD framework as the funding of the GEMMA programme by the Erasmus+ programme is coming to an end and we will not receive the results of the EU funding renovation until the summer.

The GEMMA Consortium is working to implement a number of scholarships (to be determined) for the 2024-2026 intake. We also invite applicants to join the Programme with an alternative source of funding. Please visit our [funding opportunities page](#) for more information.

**IMPORTANT:** The University of York (United Kingdom) will not participate as full partner on the 18th edition. Nevertheless, it will continue participating as GEMMA associate partner for future collaborations.

**Instructions for the students applying for the 18th edition of the GEMMA Programme.**
